INTERNSHIP

Central Farm Machinery Training & Testing Institute(CFMTTI)

📅 06/2026 - 06/2026

- Learned the operation and calibration of meteorological instruments.
- Studied tractor systems including engine, transmission, hydraulics, PTO, steering, and braking systems.
- Assisted in tractor testing, inspection, and preventive maintenance activities.
- Gained practical exposure to farm machinery operation and performance evaluation.
- Prepared technical reports and documented internship observations.
- Gained hands-on experience with a Total Station and Dummy Level.
- Studied land surveying and field data collection techniques.

ICAR - Indian Institute of Soil and Water Conservation(IISWC) Jun 2025 - Jul 2025

📅 06/2025 - 07/2025

- Studied soil and water conservation engineering practices.
- Assisted in watershed management and irrigation-related field activities.
- Participated in field surveys, technical observations, and data collection.
- Prepared technical reports on conservation practices.
